Schedule of events:

10:30 AM – 12 noon. – Plan on meeting at the AutoBarn Classic Car. This is a business that specializes in the selling of classic and antique cars. They have an 80,000 square foot show room full of cars for sale. Plan to arrive before noon. If driving a Studebaker you will be able to park inside the building.

12 noon: - We will have lunch in the meeting room at AutoBarn Classic car. Lunch will be provided and probably be pizza.

1:30 PM – Depart AutoBarn and drive to Carolinas Aviation Museum. This is about a 20 minute drive down the interstate. Once there we need to stay together to get a head count in order to take advantage of group discounts. Once in the museum you're basically on your own to explore. The "Miracle on the Hudson" plane is on display here along with many other aviation related items.
